Aug 23, 2025

Zahid Ullah

has successfully completed the online, non-credit Specialization

Fortinet Network Security

In this Specialization, learners developed and honed the skills and knowledge required to implement, manage, and support an enterprise security infrastructure composed of multiple Fortinet devices.

Rob Rashotte

VP, Global Training &
Technical Field
Enablement

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
